

CAMP WARRINGAL

ITS NOW TIME FOR THE
REST OF US TO HELP

The rebuilding of
our DISTRICT
CAMP site is pro-

gressing rapidly now. We have finalized most of the insurance process and received several grants and the plans are now being drawn up for the new hall. Over the past few months the workers have cleared away most of the debris the destroyed buildings and dead trees and installed a new water tank.

The committee and friends have been working every week at the camp site and also raising money at the fortnightly Bunning's sausage sizzle.

**SOME CATERING WILL BE PROVIDED ON
THESE DAYS PLEASE CONTACT**

WORKING BEES

24th October

CLEAN UP DAY (ADULTS & OLDER VENTURERS ONLY) We will be cleaning up the last remnants of rubbish around the site. Bring gloves old clothes and trailers if you are able to take away some rubbish.

14-15th November ..

TREE PLANTING WEEKEND. We now have over 1500 trees that are ready to plant. This is an opportunity for groups to participate in one or both days and fulfill some of the badge work requirements. Bring gloves, spades, rakes and old cloths.

PLEASE RSVP
